### **Upcoming events:**

#### 2 Meter Net:

The 2m net of the Holland Amateur Radio Club is held each Monday at 7:30pm on the 147.060 repeater. All amateur radio enthusiasts are welcome to join the net. Feel free to reach out to Tom, KC8UER. Please check in and join the fun! There is a template that can be downloaded on the club's website if you are interested in trying a turn as Net Control.

Looking for net control operators

### **THERE IS A NEW NET STARTING!**

HARC TGIF Net - Friday Oct 23 at 7pm on the 147.060 MHz

VE Testing will be at Nov 14, 6pm located at Chick-Owa Club

On Saturday December 12, 1pm Ham in a day at Chick-Owa

E.A.T. and Build Nights are currently on hold.

Check groups.io for ARRL

Check the ARRL Website for contests and events.

Donutville: weekly on Wednesday Afternoons coffee get together at 1pm till 2-2:30pm

### **Old Business:**

Club Antenna Purchase / Antenna Committee – Least favorite item is putting holes in the roof. Tower should be okay. Just need okay on location of tower from Chick-Owa.

**Over the next month:** Should an Antenna Committee be formed for towers and antennas? Will be put to a motion in November.

In-Person Club Meetings – May be a possibility this next month, check on the email reflector for any updates. As it stands we will be on the 147.060 MHz repeater. If we meet in-person, masks will be required.

### **New Business:**

Club Officer Elections will be held in December Would you like to continue your position or taking up new one?

Winter Field Day – Jan 2021 is being organized, has been previously be located at the Holland State Park again. More details to come.

QRP Operation: There are good points for QRP / Battery powered operation. Check it out!

Repeater maintenance / Packet node – Hunting down tone on repeater, the DMR repeater is working once again, new packet station is now functioning. **Big thank you to Tom K8TB, Jeff KD8THX, and Dave WA8RSA for there work on the equipment.**

Meeting was closed at 7:59pm
